

YOU BIG FAKER.

One quick lap around a tree-shaded, fenced lawn landscaped with big rock and small plantings will show you, in unforgettable terms, that the Hustler FasTrak™ is a pro. This is no plastic, bantamweight garden tractor. The FasTrak has been designed and built for flat-out productive mowing on the straightaways, for manicured cuts in the tightest of turns.

Here's a mower that's now being used by professional landscape contractors in the most demanding of commercial applications. Here's a proven time-saver built to mowing-pro standards of durability and quality of finish. Expect year after year of dependable performance on front-yard grass that looks professionally cut week after week -- beautifully cut at a brisk seven miles per hour, up and down slopes, around and among obstacles, and all the while trimming razor-close to sidewalks, trees, birdbaths, and

flower beds — much, much closer than any front-steer tractor should ever attempt.

Choose major power from 16, 18, or 20-hp Honda or 18 or 20-hp Kohler engines, driving 44" or 52" side-discharge decks punching up optional mulching kits and side-mount catchers. The frame, deck, spindles, and caster wheels are the toughest in the estate-class industry, so tough in fact that Hustler offers a lifetime warranty on the leading edge of the welded-steel mowing deck and on the tractor frame.

All-day comfortable to operate, basic in its safety and serviceability, inexpensive and forgiving in its maintenance requirements, this mower is not what it seems.

The Hustler FasTrak just pretends to be a residential mower.

Optional catchers help the FasTrak maintain a professional-quality lawn.

The tough, productive snowblower clears a 48" path.

FasTrak™ 44/52 Specifications

Engine Model	OHV Honda	OHV Honda	OHV Honda	Kohler	Kohler
Horsepower	16	18	20	18	20
No. of Cylinders	2	2	2	1	1
Displacement	32.3 cu in (530 cc)	37.5 cu in (614 cc)	37.5 cu in (614 cc)	32.6 cu in (540 cc)	36.4 cu in (600 cc)
Compression Ratio	8:1	8.3:1	8.3:1	8.5:1	8.5:1
Max. Torque	26.9 ft lbs @ 2500 rpm	32.5 ft lbs @ 2500 rpm	32.5 ft lbs @ 2500 rpm	29.0 ft lbs @ 2800 rpm	32.0 ft lbs @ 2800 rpm
Models Available	16/44	18/44, 18/52	20/52	18/44	20/52

Electrical System 12 volt, 15 amp regulated

Ignition Electronic

Fuel Capacity 12.2 US gal (46.18 L)

Transmission Dual hydrostatic, Hydro-Gear IZT

Forward Speeds 0-7 mph (0-11.26 kph), infinitely variable

Reverse Speeds 0-5 mph (0-8 kph), infinitely variable

Steering twin-lever, SmoothTrak™ steering provides independent control of each drive wheel. Speed, forward, reverse, brake, and true zero-degree-radius turns are all controlled with hand-operated controls

Brakes

Service Hydrostatic dynamic braking

Parking Sprocket and cog. Patented (Patent # 6729115B2-FT) integral park brake system (when steering levers are placed in

off position, park brakes are automatically engaged)

Seat Molded vinyl seat, deluxe high back. Standard armrests.

Accessories

Mulch Kit Recycles clippings under deck allowing clippings to be cut and recut, then discharged down into the grass. Reduces handling of clippings, improves appearance, and recycles nutrients back to the soil.

Catchers 6 bushel, rear-mounted, two-bag catcher available.

Light kit, Hour meter

Striping Kit Steel roller mounts to rear of deck. Produces beautiful striping patterns in lawn.

Flex Forks™ Shock-absorbing front caster wheel forks for a smooth ride and a smoother cut.

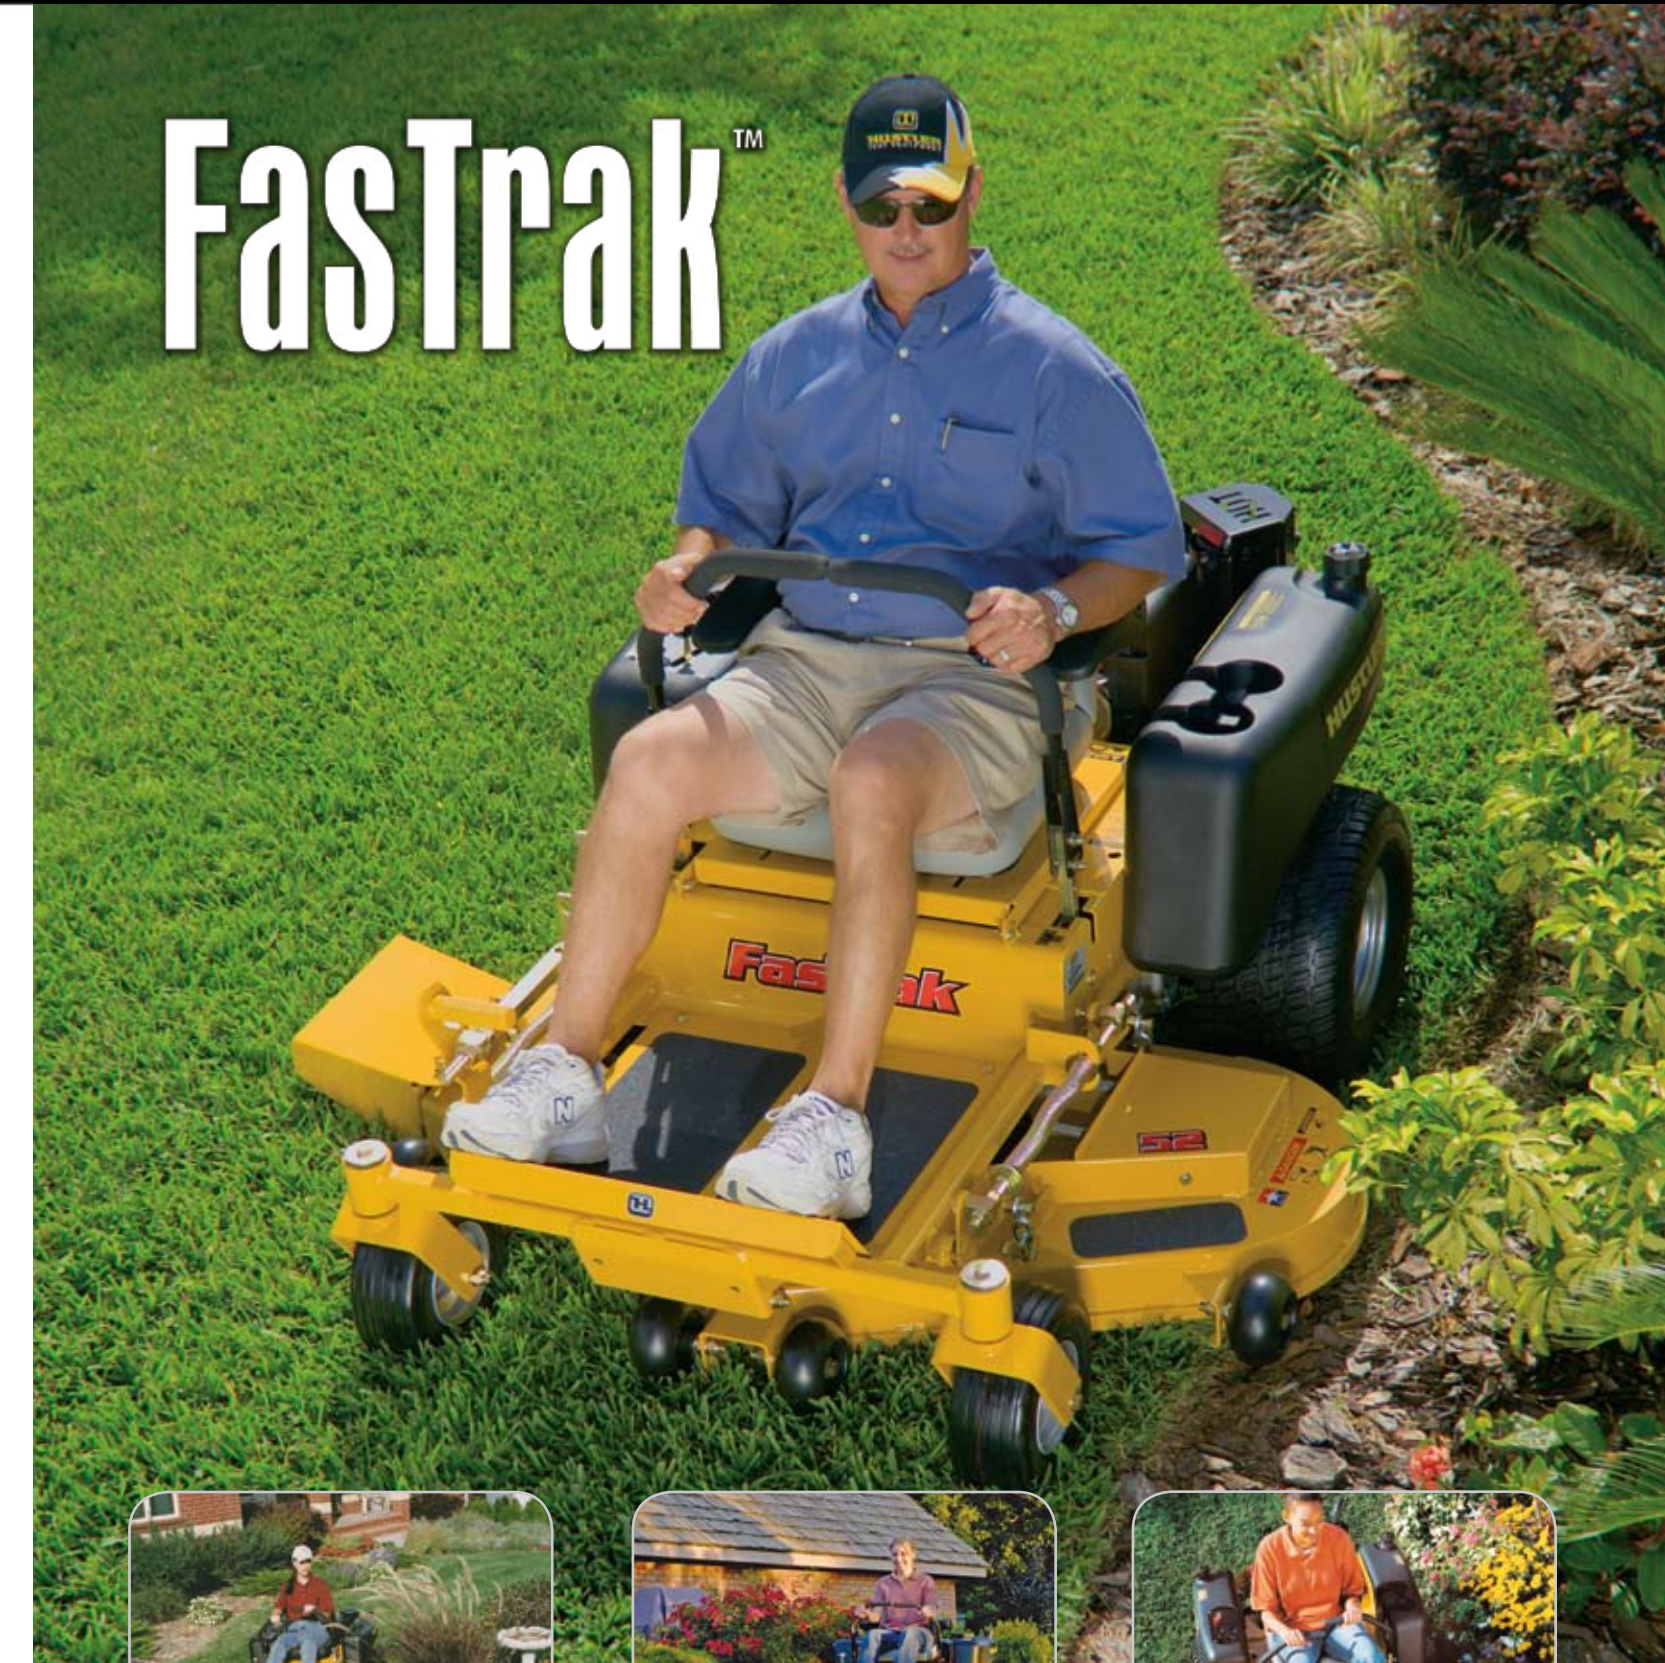

Snow Blower 48" two-stage blower utilizes the deck-lift to raise and lower. The blower is powered by deck belt and features a rotating chute adjustable from the seat and a heavy-duty gear box.

Snow Blade 56" wide, heavy-duty, reversible, replaceable cutting edge. Manual angling in 3 positions. Deck does not have to be removed to mount and use snow blade.

Specifications subject to change without notice.

HUSTLER 

PROFESSIONAL MOWING COMES HOME!™

HUSTLER FASTRAK Z FEATURES

44" and 52" welded side-discharge decks with optional mulching kits and a lifetime warranty on the leading edge.

Sealed ball-bearings in the front forks for trouble-free performance (compare to the brass bushings other manufacturers are content to use).

A wide stance and a low center of gravity for unmatched performance on slopes.

BEST WARRANTY* IN THE BUSINESS

- Four-Year parts and labor warranty
- Lifetime warranty on the tractor frame
- Lifetime warranty on the leading edge of the deck
- 1-year commercial warranty

*See dealer for details on Hustler warranties.

The FasTrak™ is the first residential mower built to commercial standards of performance and durability. In fact, the FasTrak is so tough, it carries a full 1-year commercial warranty!

The FasTrak cries out for head-to-head comparisons, for the kicking of some tires. Examine any aspect of the FasTrak's design or construction; feel the thickness of its steel; look carefully at its powertrain; spend a solid 15 minutes in the operator's seat... do so, and you'll want to take one home with you.

In terms of its conveniences, the FasTrak is operator-friendly in the extreme, comfortable in the way that only mowers meant for all-day, everyday use can be.

- SmoothTrak™ steering for the smoothest, most-nimble controls in its class
- A sturdy, cushioned seat with a 21" back rest and standard armrests
- 18" drive tires and 11" caster tires for a soft ride
- Adjustable (fore/aft, up/down) steering levers for ideal positioning
- Large, easily reachable cupholders

Patented automatic parking brake system is operated by the steering arms.

SmoothTrak™ steering is the result of innovative engineering using serviceable IZT hydrostatic transmissions.

Easy, foot-operated height adjustment in quarter-inch increments from 1" to 4" - no stress, no strain, no scraped knuckles.
